For On-Highway Truck Fleets

Donaldson[®]
Endurance

**Air Filters
Will Go
Twice the
Distance!**

Donaldson Endurance™ filters are ideal for fleets interested in improved filtration and extended service intervals!

Donaldson guarantees that

_____ will **double** your current competitive cellulose media air filter change interval.

Your new recommended air filter change interval is _____ miles.

If your Donaldson Endurance air filter fails to meet the new change interval, Donaldson will supply you with a new filter at no charge for the corresponding vehicle.

Proper Maintenance is the key to **Our Guarantee**

Donaldson®
Endurance

All Donaldson
Endurance air
filters are made in
the U.S.A.!

In order to qualify for this guarantee, you must:

- Use only Donaldson Endurance Air Filters
- Have accurate records of current competitive cellulose media change intervals
- Keep accurate track of miles driven with Donaldson Endurance air filters and maintenance records
- Provide filter for inspection
- Standard Donaldson warranty terms and conditions apply

How To Select a Donaldson Endurance Filter

Use one of the three tools to cross reference your current air filter part number to a Donaldson Endurance part number.

- Go to www.donaldson-filters.com, select Cross Reference from the blue bar on the right side of the page. Enter the competitive part number you're currently using, click on search and one of the choices returned should be a Donaldson Endurance part number (it starts with an EAF)
- Go to www.donaldson.com/en/engine/support/datalibrary/000834.pdf to view our Donaldson Endurance cross reference guide.
- Call Donaldson at the toll-free number below.
