

Donaldson Delivers
**Filtration Solutions for
Bus Fleets**

Your job is to get kids safely
and reliably to their destination,
every time. Our job is to help.

Donaldson delivers the most comprehensive line of filtration solutions for bus fleets.

Filters that keep you moving.

You need effective filtration to keep your buses in operation – and you want complete coverage for your entire fleet from one supplier.

When you need filtration that can stand up to the starts, stops and constant idling, Donaldson delivers filters with the right combination of quality and value that reliably help your buses get to their next scheduled service.

Donaldson Delivers.

Innovative filtration solutions for engines, equipment and the people who use them.

- **Industry-Leading technology** – uncompromising product quality
- **OE Grade** – Donaldson is the first-fit choice of equipment manufacturers around the world
- **Broad Product Coverage** – air, lube, fuel, coolant and hydraulic filters and systems, plus exhaust, accessories and more
- **Consistent Product Availability** – the filters you need, when you need them
- **Comprehensive Customer Service** – experienced and knowledgeable sales and technical support teams
- **Distribution That Makes a Difference** – support from exceptional partners that know School Bus fleets and are quick to respond
- **Warranty** – industry leading coverage
- **Far Reaching Field Support** – Donaldson Representatives are nearby and ready to assist

Muffler and Accessories

Complete Coverage from End to End

Filtration Products for Bus Applications

Fuel Filtration

Donaldson filters help prevent injector damage by delivering clean fuel to your engine. They're a better way to filter fuel.

Fuel filters protect engine components and help extend equipment life.

Donaldson Blue™ fuel filters for Cummins® ISX engines deliver the cleanest fuel to your injectors, pumps and engines.

Cummins® is a registered trademark of Cummins Inc. Racor® is a registered trademark of Parker Hannifin Corporation.

Racor® fuel systems Choose the filter system that you prefer – Twist&Drain™ or OEM style filters.

Fuel Filter Kits include Twist&Drain™ filters with standard valve, water collection bowl and alternative valve with WIF sensor or threaded port.

Lube Filtration

Donaldson lube filters keep oil clean by capturing contaminants that can cause engine damage.

Donaldson BLUE™

Lube filters capture metals, soot and contaminants to maintain higher cleanliness standards.

Coolant Filtration

Donaldson coolant filters remove contaminants and maintain cooling system balance.

Coolant filters help keep hot-running engines cool and reduce downtime.

Donaldson BLUE™

Air Filtration

Today's high performance engines and tougher emissions standards demand higher-performing air intake systems.

Air cleaners

Since 1915, Donaldson has pioneered the development of nearly every major advancement in heavy-duty engine air filtration. Nothing else performs like our industry-leading air cleaners.

Replacement filters deliver better protection with Donaldson Blue® filters or PowerCore® filtration technology.

Full line of air intake accessories includes hoses, clamps, indicators and Vacuator™ Valves – for new and retrofit applications – in a variety of styles, sizes, materials and performance specifications.

Filtration Products for Bus Applications

Hydraulic and Transmission Filtration

Performance under **any** pressure.

Low Pressure filters rated for working pressures up to 350 psi, spin-on, in-tank and in-line configurations.

Duramax

Medium Pressure Duramax® filters have become the industry standard for operating pressures up to 2000 psi.

Donaldson BLUE™

With pioneering technology – **Synteq™** and **Synteq XP™** media for liquid filters and **Ultra-Web®** media for air filters – **Donaldson Blue** filters trap higher volumes of fine contaminant while protecting engines and equipment, extending service intervals and reducing downtime.

Donaldson Blue Fuel filters with Synteq XP™ media deliver the cleanest fuel – providing better protection for your injectors. Tests have proven that they deliver fuel that is four times cleaner than competitors' best filters.

Clean Diesel Filter Kits

Easy to install on any fuel dispenser. Ready to filter out the finest contaminants before they enter your equipment's fuel system.

Basic Kit includes single head, high efficiency diesel filter and pressure gauge.

High Capacity Kit includes dual head, high efficiency diesel filters (2), pressure gauge and flange adaptors.

Clean & Dry Kit includes single head (2), high efficiency diesel filter, water absorbing filter, pressure gauge (2) and T.R.A.P. breather.

Donaldson Blue Lube filters with Synteq™ media deliver extended service intervals, improved lubricant flow, improved cold start performance and a higher level of protection to prolong engine and equipment life.

Donaldson Blue Coolant filters allow you to extend filter life while maintaining coolant condition. Options with additive replenishment technology allow you to extend your maintenance intervals up to once a year or 150,000 miles.

Mufflers and Exhaust Accessories

A complete line of mufflers, clamps and exhaust accessories.

Mufflers for medium- and heavy-duty diesel powered equipment.

Clamps and accessories reduce exhaust leaks and noise.

Donaldson Blue Air Filters with Ultra-Web® fine fiber media allow you to go *Twice the Distance* between service. Durable, robust and designed to perform in extreme temperature and humidity conditions; high capacity/high efficiency.
