

Donaldson Delivers
**Filtration Solutions for
Light-Duty Trucks**

Quality and value to help
you go the extra mile.

Protect your investment and keep your business driving with high-performance filtration.

Downtime means lost revenue. To keep your equipment in service you need filters that deliver **superior performance** – and a **reliable supplier** that offers complete coverage for your entire fleet.

With Donaldson protection, your Engines and equipment will operate longer between filter replacements, saving on costly downtime and repairs. And adding a Donaldson filtration system to your bulk fuel and lube storage will go even further toward protecting your equipment and maximizing uptime.

Depend on Donaldson when every operating hour counts.

Innovative filtration solutions for Engines, equipment and the people who use them.

- **Broad Product Coverage** – air, lube, fuel, and transmission filters, plus filtration for in-bed transfer tanks
- **Consistent Product Availability** – the filters you need, when you need them
- **Comprehensive Customer Service** – experienced and knowledgeable sales and technical support teams
- **Distribution That Makes a Difference** – support from exceptional partners that know your equipment and are quick to respond
- **Warranty** – industry leading coverage
- **Far Reaching Field Support** – Donaldson Representatives are nearby and ready to assist
